3154059	CLAMP	1

1. Turn machine power OFF.
2. Gain access to the icemaker assembly. Locate the hose as shown.

3. Loosen the hose clamps at both ends of the hose.
Remove the hose;
discard the hose and
both clamps.

4. Assemble the
replacement hose.
**Be sure the clamps
are positioned as
shown.**

5. Install the new hose assembly as
shown:
