SPECIFICATIONS

DIMENSIONS: Height 25 $\frac{3}{8}$ " , Width 13 $\frac{3}{8}$ " , Depth 23"

RECOVERY: Unit cycles 1 hour after capacity test.

REFRIGERATION COMPRESSOR: Tecumseh 1/5 H.P.

COOLING TANK: Narco exclusive Aluminum "Chip" type.

INTERNAL SWIVEL NUT CONNECTIONS: None.

INSULATION: Cooling tank completely surrounded by foamed-in-place polyurethane insulation creates stronger, extremely rigid cabinet walls.

CONVERTIBLE TOP: Rotates easily to place standard tempered glass illuminated sign front or back, as desired. Lifts off easily to completely expose refrigeration unit for easy servicing. Houses air intake and exhaust, thus eliminating air current on counter tops or other objectionable areas.

VALVE AND LINE FITTING SERVICING: All connections can be reached on unit exterior. "Knock-out" plugs located in base on both customer and server sides, eliminating the necessity of drilling holes in counter tops for product lines.

DRIP TRAY: Cast aluminum with cellulosic finish.

CABINET: Welded steel. Convertible top bonderized, primed and finished with white baked enamel. No plastics to fade, crack or buckle. Legends silk-screened in red. Lower portion primed, then Vinyl Walnut grain effect is bonded to steel and a protective coat of baked varnish is applied.

APPROXIMATE SHIPPING WEIGHT: Brookwood III - 145 lbs.
