

DNCB SERIES

NEW CAN / BOTTLE VENDER

EXCEEDS ENERGY STAR
TIER 3 STANDARDS

MEETS NEW ADA
REQUIREMENTS

CRANE MERCHANDISING SYSTEMS

DNCB SERIES

NEW CAN/BOTTLE VENDER

Key Features:

Energy Efficient Refrigeration System

Exceeds Energy Star Tier 3 standards and meets EPA requirements

Rapid Vend Times

Fast vend cycle enables you to serve more customers in a shorter period of time

New LED Lighting

Grab consumers' attention with reduced energy consumption

Guaranteed Product Delivery

Features a vend sensor to ensure delivery

Electronic Package Adjustment - Simplified Package Conversion

Reduces shimming requirements for most packages

Integrated Product Positioner ("No Gate")

Automatically keeps product in correct position

Front Adjustable Rear Spacers

Allows for easy access to adjust rear spacers

Low Voltage DC Motors

Minimal energy required to vend product

E Model Cabinet

Fits the same space as existing Crane equipment

Smaller Footprint

The DNCB Model 448 has the smallest footprint in the industry, yet maintains high capacity

Specifications

Model Number:	640-10		448-7
