**SLENDO-TEMP 80 SLANT SHELF  
BOTTLE VENDER**

Tomorrow's vender is here today!

Narco's Slendo-Temp 80 Bottle Vender

Gives you **more** space **inside**, but requires  
no more outside!

Slendo-Temp 80 has thinner walls  
because of polyurethane foamed-  
in-place insulation.

**MODEL DNS-80**

## FEATURES

- New Slendo-Temp walls let you use all the space you pay for! 27% more space inside with **no** increase in height or width.
- Positive vapor seal . . . no leaks at corners!
- Polyurethane foamed-in-place walls provide the lowest "K" factor of any insulation available for commercial use today.
- Foamed-in-place insulation forms a permanent bond with the metal for a one-wall, stronger cabinet! The Narco Slendo-Temp 80 has the most rigid cabinet in the industry. Insures lasting good looks!
- Slendo-Temp 80 increases space inside enough for 1 more bottle per shelf **plus** an additional shelf within the vender, without increasing outside cabinet dimensions.

## SLENDO-TEMP 80 THIN WALL INSULATION

Narco's Slendo-Temp 80 brings you a vender with the only insulation of its kind in use today. Polyurethane foamed-in-place cabinet walls create 27% more space inside, for increased capacity, with NO increase in floor space or height.

Slendo-Temp 80 gives you positive vapor-seal insulation PLUS a stronger, more rigid cabinet.

New thin-wall construction made possible by polyurethane foamed-in-place insulation.

## SPECIFICATIONS

- Dimensions:** 28" Width  
21 <sup>7</sup>/<sub>8</sub>" Depth  
56 <sup>1</sup>/<sub>8</sub>" Height
