

CFT - 33D

FLAT TOP COOLER FOR COCA-COLA

NARCO MODEL CFT-33D

Disappearing, removable, stainless steel lids are standard equipment.

Height of 34" makes it ideal for open type serving or under counter use.

Tecumseh unit. Automatic condensate removal.

Finish: Entire cabinet bonderized to resist rusting. Completely finished in two-tone baked gloss enamel.

Interior: Heavy gauge galvanized steel, resists rust, cleans easily.

Optional illuminated sign with stainless steel frame equipped with On-Off switch—advertising message on tempered glass. (Easy to mount on Cooler—Plugs into built-in socket.)

COUNTER COOLERS

Especially designed for and sold only to bottlers of Coca-Cola . . .

★ Every Narco® Counter Cooler has the appealing, embossed-in-metal trademark. A permanent, point-of-purchase reminder to enjoy the world's most popular beverage.

★ In addition, Narco Counter Coolers give you so many profit-plus features:

★ Easy-glide stainless steel lids are Standard Equipment.

★ Exclusive design features controlled forced air cooling system that chills top bottles first.

★ All models built with hermetically sealed Tecumseh unit. Automatic condensate removal.

★ Super cooling capacity, assuring efficient operation even in prolonged high temperatures.

★ Rust resistant heavy wire dividers can be removed and adjusted to accommodate any storage arrangement.

★ Amazingly quick temperature recovery after loading warm bottles.

★ Large capacity per square foot of floor space.

★ Inviting, clean design attracts refreshment-seekers.

Narco Coolers may be used as a serving counter when equipped with the optional service counter top.

★ Many types of attractive, sales-stimulating, counter displays may be built on the optional counter-service top to promote take-home refrigerated carton sales.
