**DATE: 16 July 2001**

**ISSUE: 123**

**SUBJECT: 429 Condenser Fan Blade and Shroud**

**Beginning with 429 S/N 429-011612 Mfg. 11 July 2001 a new condenser fan blade and shroud has been incorporated into the refrigeration unit production. This change was made as a product improvement.**

**The new blade is a 9” with 5 blades and its part number is 4294019. The new shroud that goes with the new blade is part number 4294004.**

**This new blade or shroud will not interchange with the old blade or shroud. The old blade (P/N 4043065 ) and old shroud (P/N 4274054) are available as replacement parts from the parts department (1-800-621-7278).**

**If you have any questions concerning this issue please contact me.**
