## M120.0 BevMax 4/3/2 High Security Door Latch

3/14/11

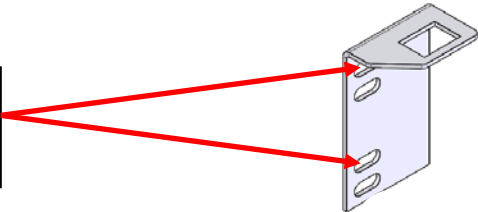

**Models affected:** All DN5800/3800 BevMax 4/3/2 Venders.

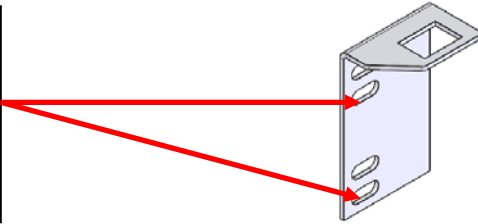

**Reason:** To enhance the security of the Service Door in DN5800 Venders.

**Order:** 2 – CR0010839 BevMax High Security Door Latch

Use top set of holes for highest lock bar engagement.

At the top position you will need to use the bottom set of holes to allow clearance for some peripherals. Example: Currenza Recycler.

### Installation Instruction:

1. Remove existing 2 door latches.
2. Use the bolts from step 1 to install the new High Security Door Latches (CR0010839).
  - a. Note Do not tighten at this time.
3. Carefully close door and test for alignment and proper operation.
4. Once alignment and operation are confirmed, open door and tighten hex bolts to secure latches.
