

SERVICE NOTICE 56

Service Refrigeration Unit Standardization Stack Venders

11/14/03

To Our Valued Customers:

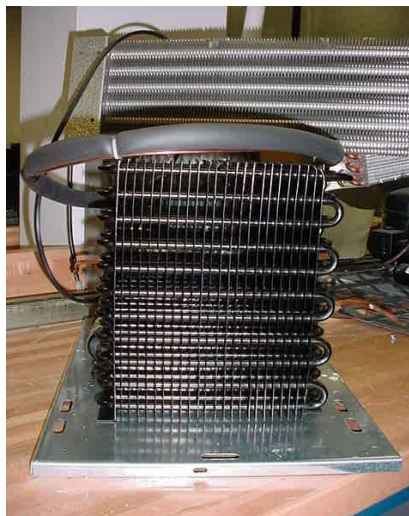

Dixie-Narco takes great pride in producing and supplying the highest quality vending machines available in the industry. We continue to strive to reduce parts needed to support our equipment by developing parts that will fit new and previously manufactured equipment, which adds value to you our customer.

With this in mind we are pleased to announce the New Service Refrigeration Unit Model 1203ft for domestic Stack Venders. The New 1203ft Unit is used in all Dixie-Narco Stack Venders serialized prior to 0401-6917DB (exceptions 0572 through 0580-6917DB; 0001 through 0286-6920DB and 0256 through 0270-6923DB).

Venders 0401-6917DB and higher (exceptions 0572 through 0580-6917DB; 0001 through 0286-6920DB and 0256 through 0270-6923DB) will use the New Production Refrigeration Unit Model 3001, part number 609,046,00x.x3. **IMPORTANT – Because of base plate designs these units are not interchangeable.**

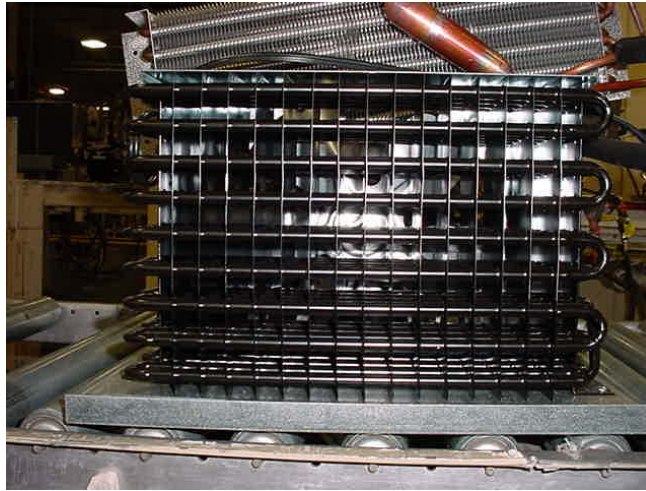

The New Service Refrigeration Unit Model 1203ft Kit, part number 609,046,20x.x4, makes available one replacement Refrigeration Unit that fits all vintage Dixie-Narco Venders prior to 0401-6917DB (exceptions 0572 through 0580-6917DB; 0001 through 0286-6920DB and 0256 through 0270-6923DB).

Included are pictures of the New Refrigeration Unit Model 1203ft and Model 3001. Also, included is a picture of the Old Refrigeration Unit Model 1203 (which is no longer available).
