

DIXIE-NARCO, INC.
SERVICE BULLETIN #150

Date: 8/20/71

MODELS: All Dixie-Narco Venders on which coin changers are used.

SUBJECT: "Counter" Installation.

ORDER AS: Part Number 804,900,010.01

DO THIS:

1. Look in the relay junction box for two (2) wire leads - - - each lead will have a wire nut on its end - - - both leads are secured with a tube and each lead is identified by the letter CT. Secure the Counter leads to the CT leads.
2. If CT (counter) leads are not in the junction box, wire one (1) counter lead to terminal #2 and the other counter lead to terminal #3 of the coin changer socket.
