

# DIXIE-NARCO

## *Service Bulletin #*           #167

Date: 11/30/73

\*Revised Date: 4/15/74

#Added: 4/15/74

MODELS: DN174-6; DN204-6 and DN246-6 Adaptables

SUBJECT: Single Port Adaptables

REASON: To standardize on Stack Type and Single Port feature as used on the five (5) stack Adaptables.

BEGINNING SERIAL NUMBER: \* 1827001 DN204-6 12/24/73.

EFFECTIVITY: Change is effective with serial number \*1827001 and all subsequent models of DN174-6 and DN246-6 having higher serial numbers.

# IMPORTANT: All of the Single Port - Six (6) Stack Models listed hereon as well as all of the Single Port five (5) Stack Models, require the use of the latest (Pistol Type) Formed and Flat Shims when vending bottles, especially NR bottles.
