Ranson, West Virginia 25438

(304) 725-3481
(800) 624-0553

Service Bulletin # 255 Date: August 10, 1983

MODEL: DNCB Venders

SUBJECT: Main Door Assembly - Complete

DNCB Main Door Assemblies - Complete - are shipped with a wiring harness. This harness is a door wiring harness and does not include a cabinet wiring harness or any part of a cabinet harness.

The coin changer socket (with wiring), the vend relay socket (with wiring), and the sequencer (with wiring) if vender is equipped with a sequencer are all a part of the cabinet wiring harness. Therefore, this part of the harness, although it is mounted to the Main Door, is not shipped with the Main Door and is to be removed from the old door and reinstalled on the New Main Door Assembly.
