## Service Bulletin # 270

Date: June 18, 1984

MODELS: DNCB Venders 1 1/4" Deeper

SUBJECT: Vend Rotor - with rear can retainer  
For Narrow Column Only

REASON: To provide a feature that will retain the rear can if the vender is tilted.

ORDER AS: Part #D801,201,000.51 - Vend Rotor

BEGINNING SERIAL NUMBER: — 2722-Part of the production run  
0001-2730-Complete production run and thereafter

When a vend rotor is ordered for a 1 1/4" deeper vender the rotor described hereon will be shipped as a replacement.

On 1 1/4" deeper venders from which cans are being free vended from the narrow column as a result of tilting (the vender) and the vend rotor is not the rotor with the "rear can retainer", order:

B3050.06 W/A Can Retainer Shim - 1 per Narrow Column  
(Reference - Service Bulletin #233)
